• **ICE CARVER**

Illus. Mark Anthony Taduran

RESOURCE: Virtual

All ice is encountered with its strength lowered by 1.

In the public consciousness, there's a hard line between corp and runner. In the real world, things are a little more porous. The corps need the best hackers to run their networks, and some of the best hackers are ex-runners who like the idea of a regular paycheck. But sometimes things run the other way, and someone on the inside makes something like this.
